LICENSED TO PRACTICE MEDICINE

Administrative Action

**ORDER GRANTING UNRESTRICTED
LICENSURE**

This matter was first opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of Dr. Peter E. Graham's application for licensure to practice medicine and surgery in the State of New Jersey. The Board reviewed the application for licensure, all relevant documentation submitted, and Dr. Graham's September 19, 2005 testimony before the Credentials Committee of the Board. Thereafter, on November 15, 2005, the Board entered into a Consent Order of Licensure with Restriction with Dr. Graham,

requiring that he provide emergency services, in New Jersey, only under supervision.

Subsequent to the entry of the November 15, 2005 Consent Order of Licensure with Restriction, the New York State Board for Professional Medical Conduct entered a Modification Order, on October 30, 2008 (License No. 122507, Docket No.: BPMC No. 96-63), granting Dr. Graham an unrestricted license to practice medicine in the State of New York. In addition, the Wisconsin State Medical Examining Board entered an order Granting Full Reinstatement of License, on July 28, 2008 (License No. 49412-020), removing all limitations on Dr. Graham's medical license.

On January 7, 2009, Dr. Graham met with a Committee of the Board, which interviewed Dr. Graham and reviewed the documentation that he submitted. The Board is satisfied that Dr. Graham has been totally compliant with the Consent Order of Licensure with Restriction, dated November 15, 2005, and that Dr. Graham should not be subjected to any further supervision.

The Board having determined that the within Order is adequately protective of the health, safety, and welfare of the public,

IT IS ON THIS 27 DAY OF August 2009:

ORDERED THAT:

1. Peter E. Graham, M.D., is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey.
